## DESCRIPTION

Share your moments to the VISO PHOTO 10 with the Frameo app and use your photo frame as a private social hub.

Capture and instantly share photos and videos with friends and family in a fun, easy, and secure way from anywhere in the world.

### Features

- Share photos and videos with the Frameo app (iOS and Android)
- Upload from a computer via a USB Type-C cable (not included)
- Touchscreen
- Auto-rotate: portrait and landscape modes
- Sleep Mode: screen turns off to reduce energy consumption (according to a customisable schedule)
- Adjustable slideshow duration (1 second to 24 hours)
- Display order: by date received, date taken, or randomised
- Display options: fill the frame or fit in the frame
- Video: automatic or manual playback options (loop, play once, or play once then move to the next content), adjustable volume
- Share your reaction with one of the four emojis available
- Display of time and weather (1-day or 4-day forecast)
- 32 GB of internal memory + Micro SD card slot
- Power ON/OFF button
- Compatible with Wi-Fi networks
- AC powered (included)
- Dimensions: 26 x 17.9 cm
